STONE ITALIANA

DAL 1979 PER L'ARCHITETTURA
SINCE 1979 FOR ARCHITECTURE

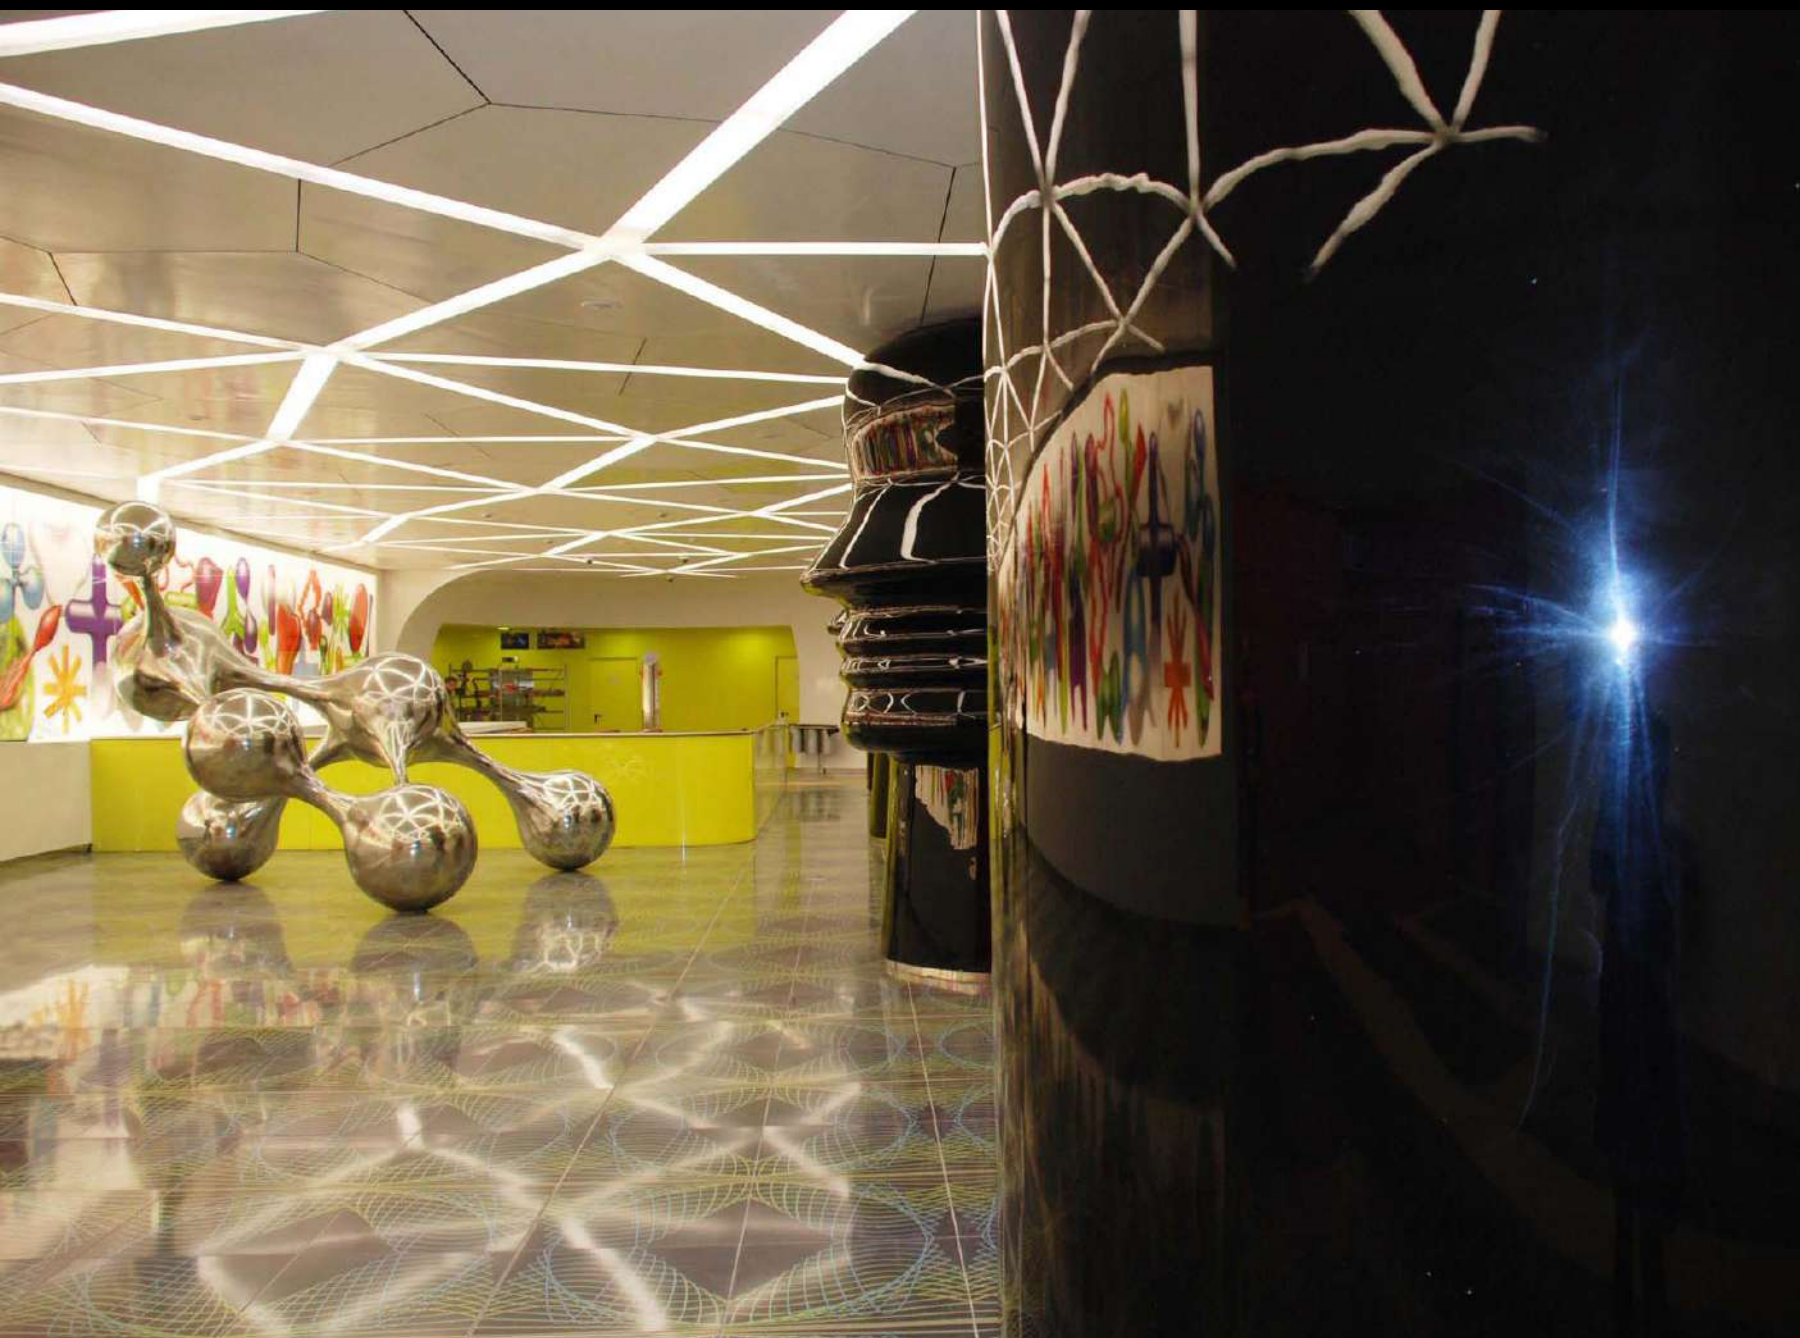

Progetti internazionali firmati da importanti architetti che raccontano l'affidabilità, la qualità e la responsabilità sostenibile di Stone Italiana.

Dal 1979 Stone Italiana realizza grandi opere con superfici su misura, personalizzate nelle tonalità e nei contenuti.

Pavimenti, rivestimenti, piani cucina, facciate ventilate sono le applicazioni che rendono il quarzo protagonista delle ultime tendenze progettuali e del design made in Italy nel mondo.

International projects designed by leading architects who tell the reliability, the quality and the sustainable responsibility of Stone Italiana.

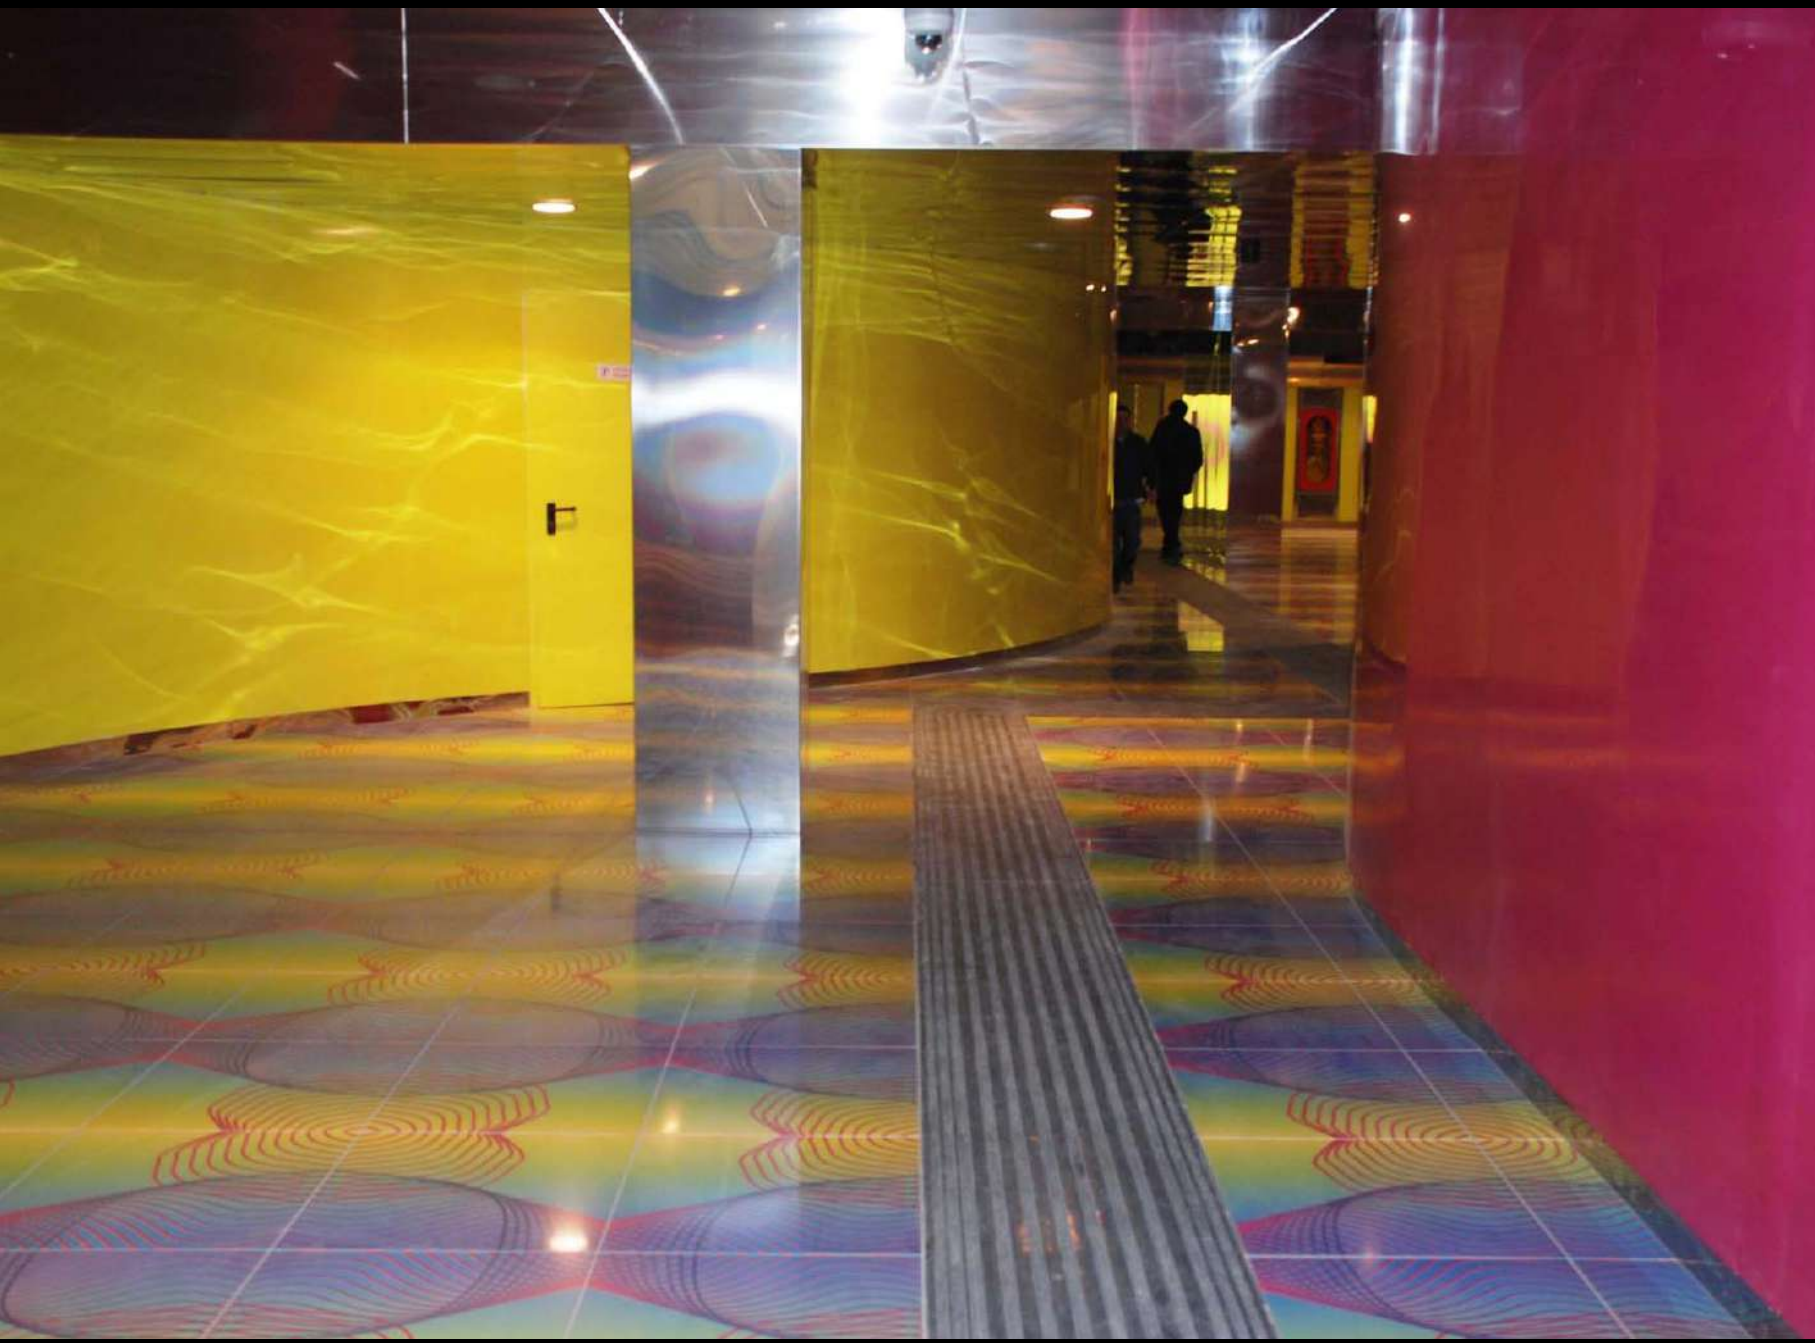

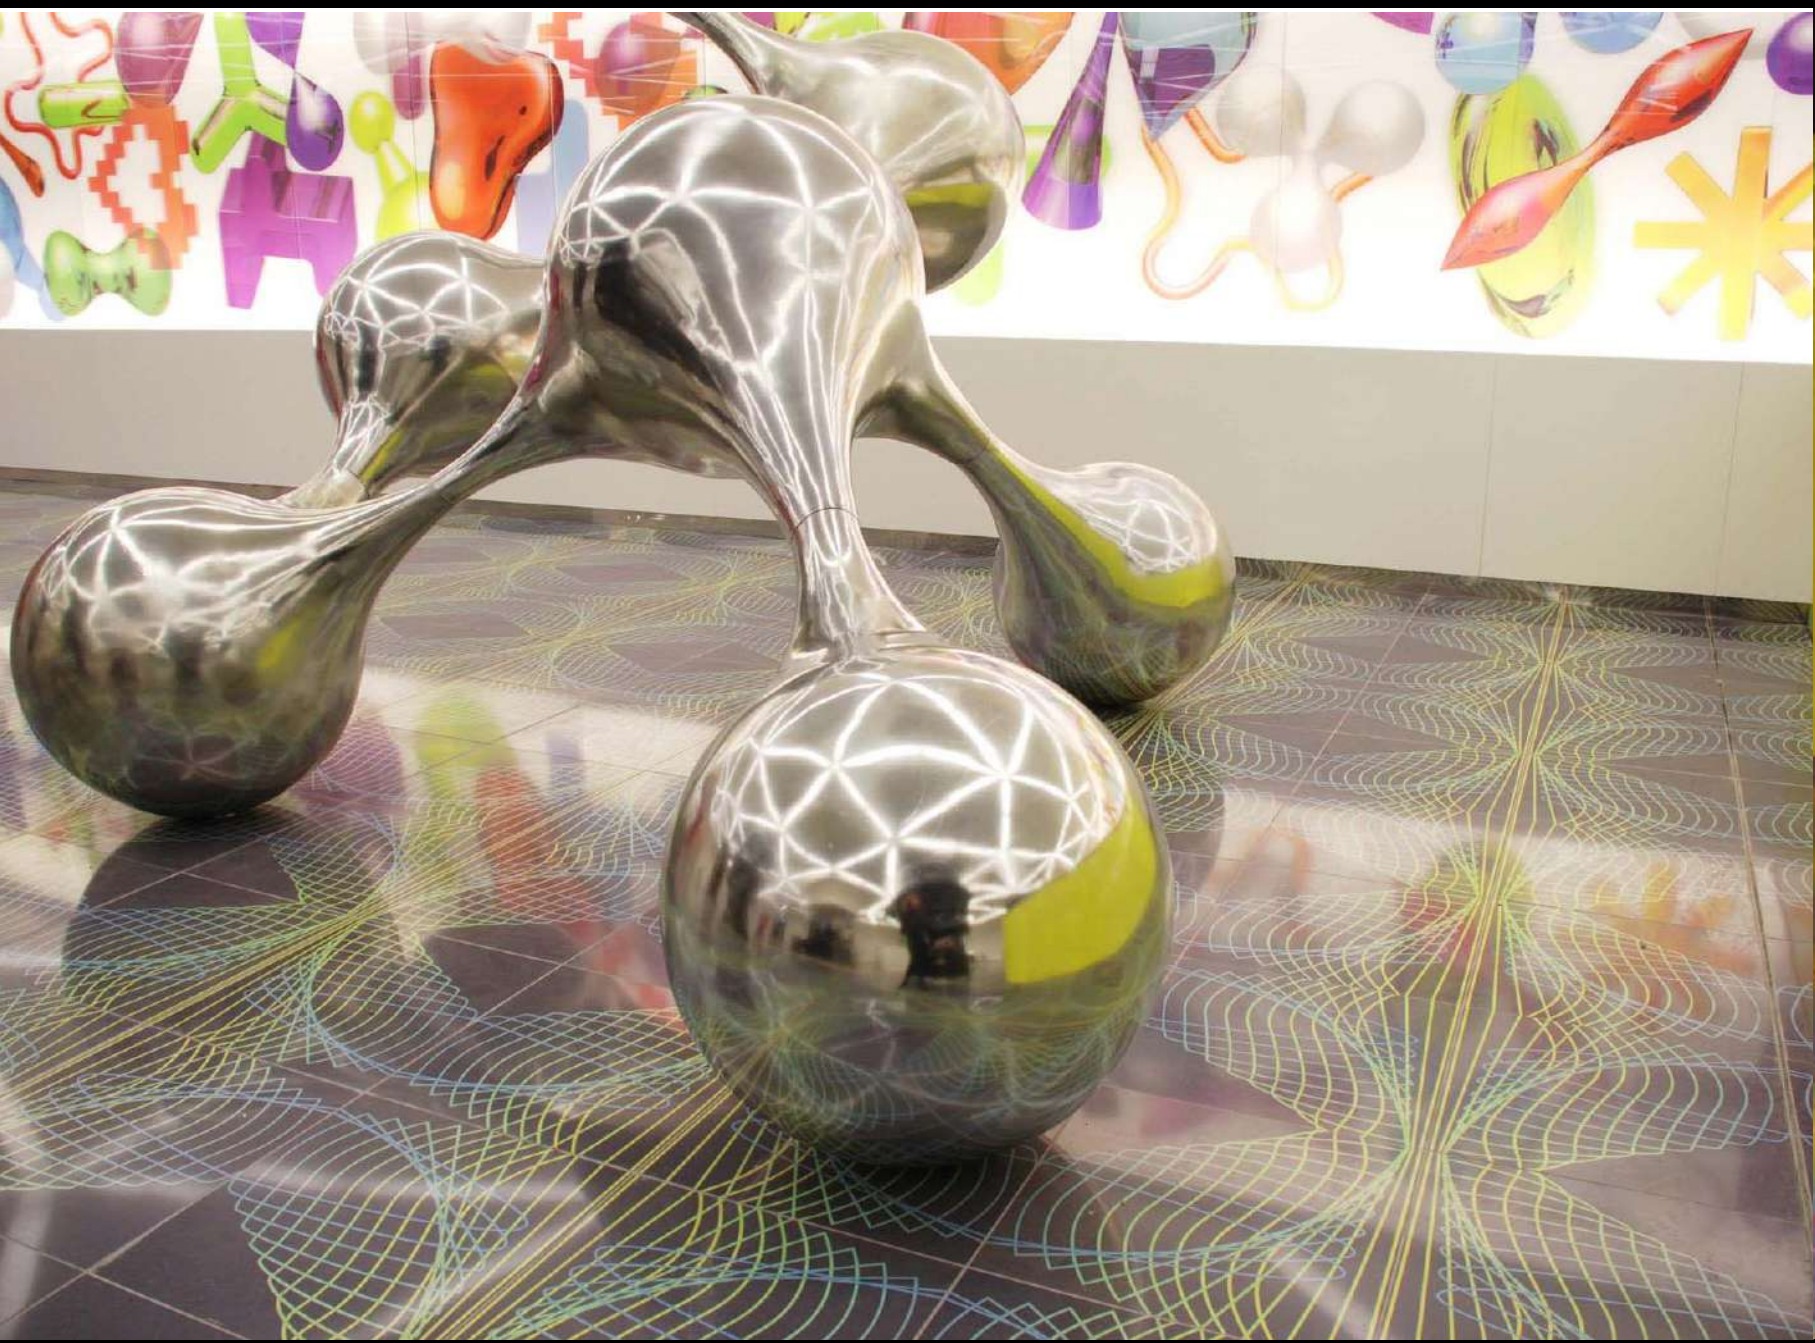

Since 1979 Stone Italiana carries out important work projects and realizations with surfaces tailored and customized in colours and contents. Floor, coverings, kitchen countertops, facades are the applications that give quartz a leading role in latest design trends and design made in Italy all over the world.
